DPTS Awarded Langley AFB Facilities Support Contract *Securing Base Operations*

Quantico, VA– June 15, 2006 – DP Technology Services, Inc. (DPTS), a technology solutions provider, announced today that it was awarded a three-year contract valued at \$2M for Facilities Support Services at Langley Air Force Base, Virginia. As part of this overall contract, DPTS personnel will provide physical security of the entire base.

“We have provided various facilities support for Langley AFB over the last couple of years. As part of this new contract, our personnel will ensure the integrity of Langley facilities. We will work together with Langley personnel to assist in managing and reporting emergencies and security violations. Our staff has a mission to protect daily operations and personnel while enforcing the security regulations,” said DPTS President and CEO, Ms. Darla Portillo.

About DPTS

DP Technology Services, Inc. is a woman-owned, Small Business Administration (SBA) certified 8(a) and HUBZone firm that delivers nationwide business and technology solutions for the U.S. government including civilian, Department of Defense and intelligence communities.
