DPTS Awarded Warner Robins AFB Civil Engineering Support Contract
Maintaining Base-wide Facilities

Quantico, VA– October 7, 2006 – DP Technology Services, Inc. (DPTS), a technology solutions provider, announced today that it was awarded a two-year contract valued at \$2.45M for Facilities Support Services at Warner Robins Air Force Base, Georgia. DPTS personnel will provide onsite base-wide civil engineering facilities maintenance support. As a performance based contract, DPTS will provide three-tier (emergency, urgent and routine) maintenance and repair of facilities services to ensure efficient daily operations of the base.

DPTS President and CEO, Ms. Darla Portillo, said, "As the largest industrial complex in Georgia, the base [Warner Robins AFB] is home to the Warner Robins Air Logistics Center, the 78th Air Base Wing, and more than 60 other units that make up a vital part of the Air Force war fighting team. Our employees will help to ensure the base is running efficiently to enable daily operations. They will support its [Warner Robins AFB] overall mission and its workforce of more than 25,000 employees."

About DPTS

DP Technology Services, Inc. is a woman-owned, Small Business Administration (SBA) certified 8(a) and HUBZone firm that delivers nationwide business and technology solutions for the U.S. government including civilian, Department of Defense and intelligence communities.
